Mr. Bragg moved to amend as follows:

AMENDMENT NO. 1

Amend House Bill No. 544 by deleting everything after the enacting clause and substituting the following:

Section 1. Tennessee Code Annotated, Title 49, Chapter 3, is amended by adding a new Part 4, as follows:

49-3-401. In order to study the effects of a reduced pupil-teacher ratio on the achievement of students in public school, there is hereby created a demonstration project in which demonstration centers are established in varied environments across Tennessee, to be staffed as set out in this part.

49-3-402. The demonstration centers shall be established and operated under guidelines recommended by the commissioner of education and approved by the state board of education. The guidelines shall include, but not be limited to, the following:

(1) Demonstration centers, to be operated by local boards of education, shall be established in inner city schools, in urban schools, in suburban schools, and in rural schools.

(2) Demonstration centers shall be established in the three grand divisions of the state of Tennessee.

(3) Every class in the teacher/pupil ratio demonstration project shall have a maximum enrollment of seventeen (17); if the enrollment should decrease below 13 through loss of students, additional pupils may be added at the beginning of each six weeks grading period to bring enrollment up to thirteen (13).

(4) Different models may be authorized to study and measure the relative effects of providing planning time to teachers, staff development programs for teachers, the use of teacher aides, the use of teachers with various levels of training and experience and other concepts approved by the board.

49-3-403. Approximately two hundred (200) teaching positions, as determined by the commissioner of education, shall be utilized and funded in the demonstration centers. All costs for these teachers shall be borne by the state department of education, including the local salary supplement otherwise required by law to be paid from local funds, but not including fringe benefits to which other teachers in the local school system are entitled. Every teacher in a demonstration project under this part shall

receive the same compensation, given his training, experience, and certification, as he would otherwise receive as a regular teacher, in the local school system. No demonstration teacher shall receive less instructional support and supplies than teachers not in demonstration projects at the same grade level in the same school system. The local education agencies participating in the demonstration projects shall provide classroom space for the projects.

49-3-404. Five percent (5%) of the total appropriation for the demonstration project shall be allocated to the department of education for administrative costs. The commissioner of education may allocate to every local school system participating in this demonstration project an amount not exceeding five percent (5%) of the cost of the center for such system for administrative costs incurred in operating the center.

49-3-405. The purpose of the demonstration project created by this part is to make a longitudinal study of the relative effects of reduced pupil-teacher ratio on the achievement of pupils in accordance with the goals set by the general assembly in Section 49-5-5023. To this end all demonstration centers for the 1985-1986 school year shall be for kindergarten pupils. In the 1986-1987 school year, the demonstration centers shall be for these same pupils in the first grade; in 1987-1988, for these same pupils in the second grade, and in 1988-1989 for these same pupils in the third grade. The guidelines authorized by 49-3-402 may include provisions for the addition of pupils to demonstration classes so that a teacher/pupil ratio as specified by this act may be maintained during the second and third years of the demonstration project. The study authorized herein may include the identification of a control group of pupils in the same school system for purposes of measuring differences in achievement and development of pupils in the demonstration center classes. The state department of education shall submit a plan for evaluating achievement of students to the state board of education for its approval and will implement the evaluation program in accordance with the adopted plan. The evaluation plan shall encompass the goals established by the general assembly in Section 49-5-5023. The state board of education shall submit to the general assembly annual reports of each project year and a final report of the results of the demonstration project.

49-3-406. Local school officials and employees shall assist the commissioner and state board of education in the study and reports provided in 49-3-405.

49-3-407. The teachers in the teacher/pupil ratio demonstration projects shall receive inservice training regarding effective ways to instruct students in small classes. The state department of education shall submit a teacher training plan to the state board of education for its approval and will implement the teacher training program in accordance with the adopted plan.

Section 2. This act shall be implemented to the extent provided by funds annually appropriated for fiscal year 1985-1986, 1986-1987, 1987-1988, and 1988-1989.

Section 3. This act shall take effect July 1, 1985, except that for purposes of developing guidelines it shall take effect on becoming law, the public welfare requiring it.

On motion, the amendment was adopted.

Thereupon, House Bill No. 544, as amended, passed its third and final consideration by the following vote:

House Joint Resolution No. 83--Relative to task force to study teenage pregnancy.

Ms. DeBerry moved that House Joint Resolution No. 83 be adopted.

Ms. DeBerry moved to amend as follows:

AMENDMENT NO. 1

Amend House Joint Resolution No. 83 by deleting the caption thereof in its entirety and by substituting instead the following new caption:

A RESOLUTION to authorize the special legislative study of the various problems confronting Tennessee's youth, including teenage pregnancy, birth control and sex education, and the social pressures presented by social clubs, fraternities and sororities.

AND FURTHER AMEND by deleting the words and punctuation "now, therefore," at the conclusion of the tenth (10th) WHEREAS clause of the preamble and by substituting instead the word "and".

AND FURTHER AMEND by adding the following new language immediately after the tenth (10th) WHEREAS clause of the preamble:

WHEREAS, undoubtedly, most of the social clubs and social fraternities and sororities existing and operating within the confines of Tennessee's public secondary school system are fine and upstanding organizations that make many positive contributions to their respective schools; and

WHEREAS, however, certain social organizations have proven themselves to be detrimental to the general welfare of our children and are causing serious problems within Tennessee's public secondary school system; and

WHEREAS, some social fraternities and sororities in Tennessee's high schools, usually the ones without adult supervision, condone and conduct certain initiation or "hazing" ceremonies and practices that are definitely degrading and potentially hazardous to the children who participate in them; and

WHEREAS, although their intentions may be good, other unsupervised high school social organizations sometimes become involved in activities that are either improper or illegal for persons in their membership's age group; and

WHEREAS, adult supervision of the meetings and social functions of these social clubs and social fraternities and sororities would surely alleviate many of these serious problems and help to prevent, through patient guidance and understanding, many of the naive indiscretions of youth; and

WHEREAS, it is appropriate for this General Assembly to take a concerned interest in this important social issue now confronting our public school system and our children; now, therefore,

AND FURTHER AMEND by deleting the first (1st) and second (2nd) resolving clauses thereof and by substituting instead the following two (2) new resolving clauses:

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That there is hereby created a special joint legislative task force to study the serious problem of teenage pregnancy in Tennessee and to identify and recommend appropriate programs for family living, birth control and sex education.

The task force shall also conduct a study into the various problems and social pressures presented by the activities of social clubs and social fraternities and sororities in Tennessee's public secondary school system.

The task force shall be composed of the following members:

(a) Two (2) members of the House General Welfare Committee appointed by the chairman of such committee;

(b) Two (2) members of the Senate General Welfare, Health and Human Resources Committee appointed by the chairman of such committee;

(c) Three (3) members of the House of Representatives appointed by the speaker;

(d) Two (2) members of the Senate appointed by the speaker;

(e) One (1) member from the Department of Human Services appointed by the commissioner;

(f) One (1) member from the Department of Health and Environment appointed by the commissioner; and

(g) Three (3) members with a recognized expertise in the subject matter to be appointed by the governor.

BE IT FURTHER RESOLVED, That the task force shall undertake a comprehensive study of teenage pregnancy and social clubs, fraternities and sororities and shall recommend any proper statutory amendments to alleviate these pressing social problems.

On motion, the amendment was adopted.

Thereupon, House Joint Resolution No. 83, as amended, was adopted by the following vote:

HOUSE BILL ON SENATE AMENDMENTS

House Bill No. 190--To continue Elk River development agency board.

SENATE AMENDMENT NO. 2

Amend House Bill No. 190 by deleting Sections 2 and 3 and by substituting instead the following:

SECTION 2. T.C.A., Section 4-29-211, is amended by adding the following language as an appropriately numbered new item:

"() Elk River development Agency, board of directors, created by Sections 64-1-301 and 64-1-302:".

SECTION 3. Tennessee Code Annotated, Title 64, Chapter 1, Part 3 is amended by adding the following new sections:

SECTION _____. "(a) The board of directors shall establish an advisory committee consisting of twenty-four (24) members, with three (3) members from each of the eight (8) counties in the region selected in such manner as the board shall determine, to provide a wide range of viewpoints. The board shall endeavor to have the advisory committee reflect a broad range of socio-economic backgrounds in its membership. The terms of the members of the advisory committee shall be set by a resolution of the board in such a manner as to create a staggered term system to provide for continuity on the advisory committee. The committee shall advise the board on agency plans and programs including the industrial development of the region.

(b) At least annually the board shall hold a meeting at which members of the general public shall be allowed to address the board. Further, prior to the adoption of any resolution authorizing a bond issue pursuant to the provisions of this act, the board shall hold a public hearing to examine the opinions of members of the general public on the issue.

(c) All meetings of the board and advisory committee shall be public and shall comply with the state law on open meetings codified in Tennessee Code Annotated, Title 8, Chapter 44.

SECTION _____. (a) The agency is authorized and empowered to issue its bonds, notes, or other obligations from time to time for the purpose of paying in whole or in part the cost of acquiring lands and interests therein and of constructing facilities and improvements subject to the limitations and conditions provided in this act. Prior to the adoption of any resolution of the board authorizing the sale of bonds, notes, or other obligations greater than two hundred fifty thousand dollars (\$250,000) or for longer than two (2) years of entering into any contract or other arrangement in the planning or preparation for the sale of such bonds, notes, or other obligations, the agency shall review such plans with the state division of bond finance. The state funding board established by Tennessee Code Annotated, Section 9-9-101 is authorized to contract or to make other arrangements as it may deem necessary to provide for the issuance

of such bonds, notes or other obligations of the agency, or in the funding board's discretion, the agency may enter into such contracts or other arrangements provided, however, that any contract or arrangement entered into for the purpose of the issue of any such bonds, notes, or other obligations shall be subject to the approval of the state funding board. Any resolution of the board authorizing the sale of bonds, notes, or other obligations greater than two hundred fifty thousand dollars (\$250,000) or longer than two (2) years shall be submitted to the state funding board, and such resolution shall only become effective upon receiving the approval of the state funding board. The state funding board, upon rejecting any resolution of the board authorizing the issue of bonds, notes, or other obligations, shall state in writing the reasons for this action.

(b) Except as herein otherwise expressly provided, all bonds issued by the agency shall be payable solely out of the revenues and receipts derived from the agency's projects or of any thereof as may be designated in the proceedings of the board under which the bonds shall be authorized to be issued, including debt obligations of the lessee or contracting party obtained from or in connection with the financing of a project; provided that notes issued in anticipation of the issuance of bonds may be retired out of the proceeds of such bonds. Such bonds may be executed and delivered by the agency at any time and from time to time may be in such form and denominations and of such terms and maturities, may be in registered or bearer form either as to principal or interest or both, may be payable in such installments and at such time or times not exceeding forty (40) years from the date thereof, may be payable at such place or places whether within or without the state of Tennessee, may bear interest at such rate or rates payable at such time or times and at such place or places and evidenced in such manner, may be executed by such officers of the agency and may contain such provisions not inconsistent herewith, all as shall be provided in the proceedings of the board whereunder the bonds shall be authorized to be issued. If deemed advisable by the board, there may be retained in the proceedings under which any bonds of the agency are authorized to be issued an option to redeem all or any part thereof as may be specified in such proceedings, at such price or prices and after such notice or notices and on such terms and conditions as may be set forth in such proceedings and as may be briefly recited on the face of the bonds, but nothing herein contained shall be construed to confer on the agency any right or option to redeem any bonds except as may be provided in the proceedings under which they shall be issued. Any bonds of the agency may be sold at public or private sale in such manner, at such price and from time to time as may be determined by the board to be most advantageous, and the agency may pay all expenses, premiums and commissions which its board may deem necessary or advantageous in connection with the issuance thereof. Issuance by the board of one or more series of bonds for one or more purposes shall not preclude it from issuing other

bonds in connection with the same project or any other project but the proceedings whereunder any subsequent bonds may be issued shall recognize and protect any prior pledge or mortgage made for any prior issue of bonds. Proceeds of bonds issued by the agency may be used for the purpose of constructing, acquiring, reconstructing, improving, equipping, furnishing, bettering, or extending any project or projects, including the payment of interest on the bonds during construction of any such project and for two (2) years after the estimated date of completion, and payment of engineering, fiscal, architectural and legal expenses incurred in connection with such project and the issuance of the bonds, and the establishment of a reasonable reserve fund for the payment of principal of and interest on such bonds in the event of a deficiency in the revenues and receipts available for such payment.

(c) Subject to the approvals required in subsection (a), any bonds or notes of the agency at any time outstanding may at any time and from time to time be refunded by the agency by the issuance of its refunding bonds in such amount as the board of directors may deem necessary but not exceeding the sum of the following:

- (1) The principal amount of the obligations being refinanced;
- (2) Applicable redemption premiums thereon;
- (3) Unpaid interest on such obligations to the date of delivery or exchange of the refunding bonds;
- (4) In the event the proceeds from the sale of the refunding bonds are to be deposited in trust as hereinafter provided, interest to accrue on such obligations from the date of delivery to the first or any subsequent available redemption date or dates selected, in its discretion, by the board or to the date or dates of maturity, whichever shall be determined by the board to be most advantageous or necessary to the agency;
- (5) A reasonable reserve for the payment of principal of and interest on such bonds and/or a renewal and replacement reserve;
- (6) If the project to be constructed from the proceeds of the obligations being refinanced has not been completed, an amount sufficient to meet the interest charges on the refunding bonds during the construction of such project and for two (2) years after the estimated date of completion (but only to the extent that interest charges have not been capitalized from the proceeds of the obligations being refinanced); and

(7) Expenses, premiums and commissions of the agency, including bonds discount, deemed by the board to be necessary for the issuance of the refunding bonds. A determination by the board that any refinancing is advantageous or necessary to the agency; or that any of the amounts provided in the preceding sentence should be included in such refinancing or that any of the obligations to be refinanced should be called for redemption on the first or any subsequent available redemption date permitted to remain outstanding until their respective dates of maturity, shall be conclusive.

(d) Any such refunding may be effected whether the obligations to be refunded shall have then matured or shall thereafter mature, either by the exchange of the refunding bonds for the obligations to be refunded thereby with the consent of the holders of the obligations so to be refunded, or by sale of the refunding bonds and the application of the proceeds thereof to the payment of the obligations to be refunded thereby, and regardless of whether or not the obligations proposed to be refunded shall be payable on the same date or different dates or shall be due serially or otherwise.

(e) Prior to the issuance of the refunding bonds, the board shall cause notice of its intention to issue the refunding bonds, identifying the obligations proposed to be refunded and setting forth the estimated date of delivery of the refunding bonds, to be given to the holders of the outstanding obligations by publication of an appropriate notice one (1) time each in a newspaper having general circulation in the area and in a financial newspaper published in New York, New York, and having national circulation. As soon as practicable after the delivery of the refunding bonds, and whether or not any of the obligations to be refunded are to be called for redemption, the board shall cause notice of the issuance of the refunding bonds to be given in the manner provided in the preceding sentence.

(f) If any of the obligations to be refunded are to be called for redemption, the board shall cause notice of redemption to be given in the manner required by the proceedings authorizing such outstanding obligations.

(g) The principal proceeds from the sale of any refunding bonds shall be applied only as follows: either,

(1) To the immediate payment and retirement of the obligations being refunded; or

(2) To the extent not required for the immediate payment of the obligations being refunded, then such proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded, and to pay any expenses incurred in connection with such refunding, but provision

may be made for the pledging and disposition of any surplus, including without limitation, provision for the pledging of any such surplus to the payment of the principal of and interest on any issue or series of refunding bonds. Money in any such trust fund may be invested in direct obligations of, or obligations the principal of and interest on which are guaranteed by the United States government, or obligations of any agency or instrumentality of the United States government, or in certificates of deposit issued by a bank or trust company located in the state of Tennessee if such certificates shall be secured by a pledge of any of said obligations having any aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

(h) All such bonds, refunding bonds and the interest coupons applicable thereto are hereby made and shall be construed to be negotiable instruments.

(i) The principal of and interest on any bonds issued by the agency may be secured by a pledge of the revenues and receipts out of which the same shall be made payable, and may be secured by a mortgage or deed of trust covering all or any part of the projects from which the revenues or receipts so pledged may be derived, including any enlargements of and additions to any such projects thereafter made, and/or by an assignment and pledge of all or any part of the agency's interest in and rights under the leases, sale contracts or loan agreements relating to such projects, or any thereof. The resolution under which the bonds are authorized to be issued and any such mortgage or deed of trust may contain any agreements and provisions respecting the maintenance of the projects covered thereby, the fixing and collection of rents or payments with respect to any projects or portions thereof covered by such resolution, mortgage or deed of trust, the creation and maintenance of special funds from such revenues and from the proceeds of such bonds, and the right and remedies available in the event of default, all as the board shall deem advisable not in conflict with the provisions hereof. Each pledge, agreement, mortgage and deed of trust made for the benefit or security of any of the bonds of the agency shall continue effective until the principal of and interest on the bonds for the benefit of which the same were made shall have been fully paid. In the event of default in such payment or in any agreements of the agency made as a part of the contract under which the bonds were issued, whether contained in the proceedings authorizing the bonds or in any mortgage and deed of trust executed as security therefor, such payment or agreement may be enforced by suit, mandamus, the appointment of a receiver in

equity, or by foreclosure of any such mortgage and deed of trust, or any one or more of said remedies.

"SECTION _____. (a) The board, after receiving recommendations from its advisory committee, shall annually formulate and issue a statement of objectives, priorities and programs that it has adopted or envisions to meet these objectives. This statement of objectives shall be included in the annual report.

(b) The board shall report annually to the governor of the state of Tennessee, the commissioner of economic and community development, the state funding board and to the general assembly through the chairman of the following standing committees or such other committees as the Speaker of each respective chamber may direct: senate finance ways and means, senate government operations, senate state and local government, house finance ways and means, house government operations, and house state and local government. This report shall also be transmitted to the governing bodies of the various counties and incorporated municipalities of the region. Such reports shall include the financial statements of the agency, and a summary of all activities and accomplishments for the period and proposed plans for the next year.

(c) The Comptroller of the Treasury is directed to develop or approve a uniform accounting system conforming to generally accepted accounting principles for the agency.

(d) The annual report, including financial statements, and all books of account and financial records shall be subject to annual audit by the comptroller of the treasury. The agency may, with the prior approval of the comptroller, engage licensed independent public accountants to perform the audits. The audit contract between the agency and the independent public accountant shall be on contract forms prescribed by the comptroller of the treasury. The agency shall be responsible for reimbursement of the costs of audits prepared by the comptroller and the payment of fees for audits prepared by licensed independent public accountants. Audits and working papers prepared by independent public accountants shall be reviewed and approved by the comptroller prior to payment. Copies of such audits shall be provided to each member of the board and the comptroller of the treasury and shall be made available to the press.

(e) The board shall develop purchasing, contracting and personnel procedures which shall be approved by the comptroller of the treasury and the commissioner of finance and administration prior to implementation."

"SECTION _____. The board shall endeavor to cooperate with the South Central Tennessee development district and the Southeast Tennessee development district and to avoid duplication with the

activities of this agency and any other agencies whenever possible."

"SECTION _____. The employees of the agency shall be eligible for membership in the Tennessee consolidated retirement system as state employees and the board shall provide the necessary contributions to the Tennessee consolidated retirement system for its employees. This section shall not preclude the Board from contracting with individuals for their personal services under a contract of limited duration and not including retirement benefits to such individuals."

"SECTION _____. The agency, as an agency of the state, shall prepare its annual budget in accordance with Tennessee Code Annotated, Title 9, Chapter 6.

"SECTION _____. The agency shall cooperate with the state planning office as provided by Tennessee Code Annotated, Section 13-1-105 submit to and shall submit to the state planning office such information as that office may require.

SECTION 4. Tennessee Code Annotated, Section 64-1-303 is amended by adding the following language to the end of subsection 4(c):

It is declared to be the intent of the general assembly that the agency sell all of its land which the agency determines to be developable by July 1, 1995. To that end, the agency shall sell at least ten percent (10%) of its developable land by July 1 of each intervening year: provided, that if less than ten percent (10%) has been sold during any year, the amount of land necessary to meet the minimum ten percent (10%) requirement shall be offered at public auction not later than September 1 of the year in question subject to the minimum appraisal value determined by the Tennessee Valley Authority and in accordance with the minimum standards described in the agency's contract with the Tennessee Valley Authority.

SECTION 5. Tennessee Code Annotated, Section 64-1-303 is further amended by deleting subsection (5) in its entirety.

SECTION 6. Tennessee Code Annotated, Section 64-1-307 is amended by deleting the section in its entirety.

SECTION 7. Tennessee Code Annotated, Section 64-1-302 is amended by deleting the language of subsection (a)(2)(A) in its entirety and by substituting instead the following:

Effective July 1, 1985 the terms of the directors appointed before such date shall terminate and the following new appointments shall be made. The speaker of the house of representatives and the speaker of the senate shall each

appoint one director for an initial term of two years, one director for an initial term of four years and one director for an initial term of six years. Each director shall be appointed at large from the counties in the region. The governor shall appoint two directors for an initial term of four years, who shall be appointed at large from the counties in the region. The governor shall also designate a member of his staff or cabinet to serve as a director during the governor's term of office. The governor shall also designate mayors of two (2) incorporated cities or towns of the area to serve as director for two year terms. No more than three of all of the directors shall be appointed from any one county. The appointees shall include persons active in municipal, industrial, agricultural, commercial and citizen organizations, such as the Elk River development association, active in promoting comprehensive unified development of the resources and economic growth of the Elk River watershed. In the event of a vacancy on the board, the official who appointed the director whose position has become vacant shall appoint a successor for the unexpired term.

Successors to the at large directors shall be appointed for terms of six (6) years.

SECTION 8. Tennessee Code Annotated, Section 64-1-302 is further amended by deleting subsections (a)(2)(B) and (a)(2)(D) and renumbering the remaining sections accordingly.

SECTION 9. This act shall take effect upon becoming a law, the public welfare requiring it.
